IF IT’S NOT ON THE LIST, IT’S COVERED!

Preferred Warranties Powersports plans are "exclusionary," meaning that they list the items and conditions that are NOT covered** – mostly those involved in scheduled services and normal wear and tear such as:

- Regular maintenance services as recommended by the manufacturer
- Normal wear and tear parts and components listed as Exclusions
- Parts that have not had a mechanical breakdown
- Damage due to "non-stock" or modified parts
- Breakdown caused by water, sand or corrosion

For everything else, we take care of the cost of parts, labor, and even towing (up to $75) and delivery!

*Listed items are general guidelines only. Please see contract for complete details. A form of contract can be obtained by contacting your dealer or a PWI representative.
